COHEN ANNOUNCES WALK THROUGH 2nd DISTRICT

Congressman Bill Cohen, R.-Maine, has announced he will be walking from Gilead to Farmington, starting Monday, July 5, terminating Tuesday, July 13.

This is the fourth consecutive year that Congressman Cohen has donned his hiking boots to walk across the 2nd Congressional District. He plans to walk a total of 300 miles this year visiting Oxford, Franklin, Androscoggin, Piscataquis and Aroostook Counties.

"Ever since I first began my walk through Maine in 1972 I have believed that it is vital for public officials to go out and meet the people in their own home areas," Cohen said. "No public office holder can hope to understand the hopes and problems of his constituents if he sits in his office, venturing out only for occasional speeches.

"To be trusted, office holders must trust the people. That is why I have made time every year to go out and talk to the people I represent in their homes and places of work.

"I will visit as many constituents as possible this year, and will listen to all who come out and talk to me—those who agree with me and those who do not."

Mr. Cohen's walk schedule is as follows Monday, July 5, Gilead to Bethel; Tuesday, July 6, Bethel to Rumford Center; July 7, Rumford Center to Mexico, and Bryant Pond to Paris Hill; July 8, Paris Hill to Mechanic Falls; July 9, Mechanic Falls to Lewiston; Sunday, July 11, Lewiston to Turner; Monday, July 12, Turner to Livermore Falls; Tuesday, July 13, Livermore Falls to Farmington.

ATTENTION MARKSMEN, HUNTERS AND ALL SHOOTERS SATURDAY, JULY 3

The Bethel Rifle Guard will sponsor a chicken shoot on July 3, 1976, at the range on Rt. 2, beginning at 9:30 a. m. Come and bring your favorite rifle. See how many chickens you can take home. Remember all callbers, any type of rifle permissible. Contestants are asked to be present and registered to shoot by 2 p. m. Come one, come all.

PLANS BEING MADE FOR MOLLYOCKETT DAY PARADE ON SATURDAY, JULY 17

Plans are definitely in high gear for the annual parade up Main Street in Bethel, on Mollyockett Day, July 17. The Bethel Lions Club urges everyone to get into the act and plan for the big event. All entries, floats, groups, and marchers are urged to contact Charles Farrar or Maurice Bouchard in Bethel to let them know of their plans.

This year's theme will be "1776-1976". As in the past, there will be prizes for the three best floats, a first prize of $50, second prize of $25 and a third prize of $15. These prizes will be awarded on the basis of how well they are in keeping with the theme, originality and beauty as well as other considerations deemed worthy by the Judges. Awards to marchers will also be made for the most original, the funniest and also the prettiest.

Judges for this year's parade, as in the past, will remain anonymous until after the event to preclude any bias. Rumor has it that they might be special guests at the Bethel Inn.

Plan for the parade! Don't forget the feature "Manchester Muchachos," who will march in the parade as well as put on a performance at the Gould Athletic Field immediately after the parade.

OLD FASHIONED FOURTH TO BE MEMORABLE OCCASION IN BETHEL THIS WEEK END

The Bethel Bicentennial Committee has completed preparations for what promises to be a memorable and fun-filled Old Fashioned Fourth of July in Bethel. Tickets are on sale at Moses Mason House and from Committee members for the two dances to be held Friday, July 2, and Saturday, July 3. The Contra, or Country, Dance on Friday evening from 8-12 will be held in Odeon Hall, long a scene of entertainment in Bethel. Given a thorough cleaning by Committee members, and helpers, the old hall, located upstairs over the Town Office, will evoke nostalgic thoughts from some, while serving as a location for a style of dancing now enjoying a revival in New England. The Red House Circus, a musical group from Phillips, Maine, will provide music and instruction where required. Anyone, regardless of age or dancing experience, should be guaranteed a good time. Refreshments will be for sale during the dance. On Saturday night, Home Brew Band will provide the music for a dance for all ages in Bingham Gym. This group of six musicians comes from the Bridgton area and has played throughout Maine and New Hampshire, frequent area appearances in Andover and South Paris. Their style is countryrock, ranging from Bluegrass to Allman Brothers.

Daytime activities during the Old Fashioned Fourth begin on Saturday morning with the Youth Walking Parade in Costume. Marchers will assemble at the Fire House on the Common at 9:15 a. m. and will be marching in groups according to their costume. Categories for prizes are Revolutionary, American Indian, Woodsmen, Athlete, Person of the Future, Child and Horse and Family Group. A three-person band will lead the procession and the Douglass ponies will participate. The Field Day for Children from ages 5-12 will begin at 10 a. m. on the Gould Athletic Field. Specially printed ribbons will be given as prizes in the Parade and Field Day.

Hanover

— Pam Morton, Corres. —

A Bicentennial meeting was held Sunday at the Town House Committee members gave reports, and things seem to be moving smooth-toward July 10.

The old-fashioned church picnic of the Rumford Point Church will be held on the 4th of July at the DeFree's Grove Farm in North Rumford. The program is as follows: picnic lunch at noon; Invocation, flag salute, moment of silent thought, games, ball game.

The John Morton family and Martha Stearns returned Friday from a week long camping trip to North Livermore, while Mr. Morton took courses at the Norland's in Livermore.

Mr. and Mrs. George Hayden of Poland were at their camp in Hanover this past week end.

Mrs. Perry's house is being renovated, and when it is finished, Mr. and Mrs. Philip DeRoche will move in.

Claudia DeLisle sold her house to Mr. and Mrs. Robert Crain of Bryant Pond. They expect to move in about the middle of July.

Work on the Hanover Town sign is coming slowly because of lack of a millstone. If anyone has or knows the whereabouts of a millstone in fairly good condition, it would be appreciated if they would contact David Morton.

BICENTENNIAL 1976

BETHEL'S REVOLUTIONARY SOLDIERS

Part I

From all available sources, Bethel's 44 Revolutionary soldiers appear to have been a rather homogenous group. Most came to this town from Massachusetts following the cessation of hostilities, but several were here at the time of the Indian Raid of 1781. By far, the great number of them were farmers, but other occupations are represented. Many served in rather routine actions during the American Revolution, others at some of the most celebrated battles of the war. Several were among the leading citizens of the town and took an active part in its affairs. Most had large families from of which many live in town today are descended.

The list and what is known about them is as follows:

Jeremiah Andrews (1757-1827), farmer, came to Bethel from Temple, N. H., lived in East Bethel, married Elizabeth Sawtelle in 1784, served three years in American Revolution, discharged Nov. 20, 1779, buried Bartlett Cemetery, father of 13 children.

Annas, Seloman, native of Warner, Mass., married Eliza Wright after serving in American Revolution, father of seven children, lived on Micajah Blake homestead, buried in Grover Hill Cemetery.

Barker, Samuel (1762-1831), native of Rowley Mass., married Betsy Rogers, came to Bethel in 1803, lived at and conducted Barker's Ferry, served as tailor in American Revolution, said to have mended General Washington's clothes, buried Grover Hill Cemetery.

Bartlett, Enoch, born 1742, married Elizabeth Segar, father of 21 children, farmer, lived on site of present Carter farm in Middle Intervale, moved to Newry, buried Sunday River Cemetery, teamster, American Revolution.

Bartlett, Moses (1756-1818), native of Newton, Mass., settled in what is now Hanover, married first Mary Barbour, second Esther Beal, father of seven children.

Bartlett, Thaddeus (1759-1844), served in Boston during American Revolution, Captain Caleb Brooks' Company, married Sybil Powers, father of 12 children, farmer, East Bethel, buried Bartlett Cemetery.

Bean, Jonathan, died 1809, native of Brentwood, N. H., came to Standish, Maine, then to Bethel, father of eight children, buried in Bartlett Cemetery, served in Kittery and Portsmouth areas.

Brown, Benjamin, died 1819, five years of service in American Revolution, married Hannah Russell, came to Bethel from New Hampshire on horseback, father of eight children, buried Bartlett Cemetery.

Clark, Lt. Jonathan (1747-1821), married Esther Parker, served as Commissary of Substance in John Crane's Regiment, Artillery, father of seven children, lived on what is now Lover's Lane, buried Grover Hill Cemetery, one of three captured by the Indians in 1781 Raid.

Conn, Jonathan, native of New Hampshire, veteran of French and Indian War, also at surrender of Burgoyne in American Revolution.

Dustin, Jesse, married Elizabeth Swan, lived in Hanover, came to Bethel from Fryeburg, native of Methuen, Mass., carpenter, father of eight children.

Eames, Ebenezer, served three years in the American Revolution, native of Needham, Mass., came from Dublin, N. H., to Bethel, eventually settled in Newry, father of 10 children.

Farwell, Absolom, came from England, settled in Marblehead, Mass., father of eight children, buried in Middle Intervale Cemetery, also veteran of French and Indian War.

Gage, Ames (1758-1833), native of Boxford, Mass., original member of the Congregational Church, m. Lois Hovey, father of five children, later moved to Waterford, served in Winter Hill and Charleston area in Capt. John Hale's Co., Col. John Starks' Regiment, Gen. Sullivan's Brigade, moved around the scenes of battle from Massachusetts to New York to Quebec, guarded Major Andre the night before his execution.

to be continued next week

In this bicentennial year of the Declaration of Independence it is appropriate that citizens of Bethel honor these men for their efforts in the American Revolution and for their contributions to the founding of this town.

Letters to the Editor

Letter to Editor:

There seems to be some confusion regarding the relationship of NOVA and the Cooperative Education Program (Co-op) at Telstar High School. Although the co-op program was initiated in 1972 by the SAD #44 Board of Directors, the funding and responsibility for the program was transferred to NOVA in July, 1974 as a result of state legislation. In other words for the last two years the co-op program has been a part of the NOVA program.

The NOVA program for the 1976-77 school year was presented a budget of $2.00 by the voters that attended a NOVA regional budget meeting in Rumford on June 24, 1976. As a result of that action the NOVA Board has instructed that all personnel be terminated as of July 1, 1976 and all vocational programs in the region will cease as of that date. This means that the co-op program at Telstar will also terminate on that date.

Sincerely yours,
David H. Denison

BETHEL C. OF C. AND LIONS DISCUSS MOLLYOCKETT DAY

John Vrablec and John Raynes, representing the Bethel Lions Club, met with the Executive Committee of the Chamber of Commerce this week and discussed with enthusiasm the plans for the 1976 Mollockett Day activities. The Chamber reaffirmed its support of the Mollyockett Day activities with a financial contribution to help cover the cost of the Woodsmen's Day expenses. The members of the chamber present unanimously feel that economically this annual summer event is imperative to keeping downtown businesses healthy.

The back page of the booklet being published by the Lion's Club will have an article on other activities available to vacationers who are joining us for the Mollyockett Day festivities.

The members also discussed at length the progress in the membership effort. The Chamber welcomes this week two new business memberships: Casco Bank and Trust Company and Newton and Tebbets, Inc.

TOWN MANAGER'S COMMENTS

continued from Page One

explore other suggested alternatives and to refer the problem to the planning board for their review.

The manager reviewed the situation at the corner of Crescent Park and Mason Streets and informed the board that additional test hole(s) will have to be dug to located the source of the water problem. Regarding drainage in the Pleasant Valley Development in West Bethel, the manager and highway foreman recommended that the roads be tarred this summer and that the need for additional drainage be reviewed next spring with the developers. The Board approved this recommendation provided the developers state in writing that they will complete drainage work as required next spring.

The manager informed the board that Burton Newton wishes to terminate his lease for one-half of an airplane hangar at Col. Dyke Field. The Board took no action on this matter.

The Board voted to request the Planning Board to review and update the Town's Comprehensive Plan and to develop draft ordinances for zoning and building codes. These are to be developed in coordination with existing Shoreland Zoning, Flood Plain Zoning, and local subdivision regulations.

In other actions, the Board voted to invite the Oxford County Municipal Officers Association to meet in Bethel for their September or October meeting and that the suggested topics for discussion be Flood Plain Zoning and Flood Insurance. A tax anticipation note in the amount of $50,000 was signed and 1975 tax abatements for Elizabeth Wight and Kenneth and Georgiana Hamel were approved. These abatements resulted from duplicate billings.

The Board approved the purchase of a spirit duplicator for the town office. Letters from Congressman Cohen, and Senators Muskie and Hathaway were received thanking the Board for their letters supporting the continuation of Federal General Revenue Sharing. Richard Sweetser was present and discussed the condition of the Shelburne Dam with the Board. The Board suggested that Mr. Sweetser discuss this with more appropriate authorities.

The Board after discussions of problems concerning the fountain at the Common, directed the Manager to have signs made and installed at the fountain indicating that wading and swimming will not be allowed.

The next meeting of the Selectmen will be Monday, July 12, at 7 p. m. in the Town Office.

The Town Manager met Monday with representatives of the State Department of Transportation regarding reconstruction of sections of the East Bethel road. Preliminary engineer work is currently being undertaken and financial arrangements are being worked out. As soon as these details are completed, we will be holding a meeting in East Bethel to explain the work to be undertaken this summer.

Greenwood City —

— Mrs. Colista Morgan, Corres. —

The summer days have come again, days of blossom scents and flowers in full bloom. It's a world full of elusive fragrances. The farm fields are like a patchwork quilt. Lovely, with purple clover, daisies gold and white, buttercups, and the tangled flowers like the bindweed and vetch. Beautiful are the home gardens round door and wall, but nature's wild garden is the loveliest of all.

"I love to loll upon a bank,
And watch the puffy clouds
Shape maps and wooly forms of sheep
That melt away in shrouds;
Where brown-eyed daisies and Queen Anne's lace
Flaunt their petals in my face....
in June." Sybil Beaulah Maus

So hot it has been that my walking has been neglected, except up Mosquito Lane, AND they WERE there, where Ruth and I climbed one evening to the top farm field for wild strawberries. There, was a nice breeze so we enjoyed it. Our dawn chorus goes on, for we awaken to the voices of the wood thrush, robin, purple finch, catbird, rosebreasted grosbeak, oriole and phoebe above my bedroom window. High in the tree tops I hear the northern crested flycatcher at some time during the day calling his "whe-e-e-p"

So far this season there have been no bitterns and we wonder why. In no summer, ever, have they been silent.

The year's longest span of daylight is past and from here on, 'til December, nights will slowly lengthen, and days diminish. But by the calendar it's summer's sweet beginning. There are summer sounds which we like; the shrill and happy cries of children released from school, the gentle gurgle and lap of waves along the shore, and the wind brushing through the fully-leaved trees.

The mowing machines have begun their long and tedious clatter through field after field but leaving behind that sweetness of new mown hay. In the distance waiting is the weather-worn, old barn, a sturdy relic of the past. It's standing with wide open doors open to the view of the pasture where cattle graze and quench their thirst from a brook of clean water.

So silently, softly, the evening settles down and we enjoy the lawn. Shifting shadows appear on the still surface of the pond, as the sun rests against the cushion of the sky, its slender fingers grasping at the coverlets of night. In this cooler part or end of a hot day, we sit and watch the quivering softness, as it is pierced by the little lights from fireflies. We also listen to the low-pitched twang of the green frog and the foghorn voice, the deep "TER-RUMP" of the bull frog. Inflated clouds watch over the land, puffed into various shapes.

All these—fireflies, frog calls, the beginning of night, have happened through untold generations. These are possessions to keep eternally.

FUN IN SUN FOR SUMMER, '76' —BETHEL RECREATION PROGRAM IS UNDERWAY

The formation of the Bethel Recreation Board has triggered an explosion of activities for the youth of Bethel and surrounding towns.

At this time we find the softball, baseball and Red Cross swim programs underway with many thanks to Dave Myers, Nichole Merrill, Dan Hannon and all others who had made these programs possible.

Plans for something new in '76, Bethel will offer a structured recreation program for children in grades K-6 which will begin the week of July 19 and last till Aug. 28. This program will be under the direction of Brenda Lyon and assisting her will be Stephen Morrill and Jackie Gammon.

It will be necessary to sign up your children for this five week program. The sign up will be July 12 at the Bethel Savings Bank from 9 a. m. to 5 p. m.

A preview of activities finds plans for a combination Nature Trail and Cross Country Ski Trail in the making along with a Heritage Arts Week where the kids will be exposed and take part in the daily skills of the people who lived 200 years ago such as spinning, collecting and drying herbs and flowers, and weaving, just to mention a few. We will also be showing movies each week at the Moore Mason House, plus many more surprises! We're looking forward to a great summer, so come join us for fun in the sun. If you have any questions, call Brenda Lyon, 836-2612.

ANDOVER TO JOIN "BELLS TO TOLL" ON JULY 4th

The town of Andover Bicentennial Committee announces plans to join the "Bells to Toll" nationwide for the 200th anniversary.

A simultaneous, nationwide ringing of bells on July 4 will herald the country's entrance into its third century.

Communities, churches, schools, fire departments, universities and individuals will toll bells and carillons in conjunction with the ringing of the Liberty Bell in Philadelphia at 2 p. m. (EDST). The time selected is exactly 200 years from the moment that the Liberty Bell proclaimed the Independence of the new nation.

The bell ringing will go on for two minutes in commemoration of the nation's first two centuries.

The Liberty Bell will be rung (amplified electronically because of the crack), in a symbolic national ceremony, conducted by the Sons of American Revolution at Independence National Park at precisely 2 p. m. (EDST).

Local churches, fire departments and citizens are being asked to participate in conjunction with the nation's Bicentennial Bell Tolling on July 4. Merton Fox and Howard Marston of the First Congregational Church of Andover, will supervise the ringing of the bell. Boy and Girl State representatives of 1976, Kimberley Whitten, Thea Tracy and Michael Dunn of Telstar Regional High School, will assist him. Morning services in local churches will be on the Bicentennial theme with colonial costumes requested.

GILEAD WOMEN'S CLUB PLAN FOR MOLLYOCKETT DAY

The Gilead Women's Club met on June 15 at the school house. The ladies decided to pay their dues yearly instead of monthly. Also a report of progress on the school house which is to become the Gilead Library was made. Anita Ferrand has purchased the paint so the walls will be sporting a pretty shade of light yellow soon. The ceiling now has its second coat of white and looks very nice. The windows are being scraped and prepared for painting. The ladies would like to thank Leon Ferrand for his generous time in repairing our old windows so they open easier, also for making up some sketches of how our books shelves will look when completed. We still have a long way to go before the library is ready but thanks to the hard work of the women's club the goal will be accomplished. Any ladies who would like to help paint on the walls may call Anita or Bertha.

Also a report was given on the $25.00 scholarship the Women's Club gave to Sandra Carver who will be continuing on to college in the fall. A thank you was read from Hugh Chapman for the fruit basket since he returned from the hospital. Also a special thanks from the club to Mrs. Geet Quinn for her contribution to the club. A long discussion was held about the booth at Mollyockett Day. It was decided to meet again the following Monday to figure out what and how much cold drink we should buy.

Monday night June 21, a meeting was held at the school house to discuss further the plans. The food and soda amounts were decided upon and the cost figured. The ladies are reminded to start making ice so there will be enough. Work schedules will be figured out as well as food and ice pick ups on July 12 at the school. This is Tuesday before Mollyockett Day so a large attendance is hoped for.
